Behavioral Data Science

Free Registration by May 20, 2021

Speakers

Dr. Mike Cheung
Professor
National University of Singapore

Dr. Nilam Ram
Professor
Stanford University

Dr. Kevin Grimm
Professor
Arizona State University

Dr. Douglas Steinley
Professor
University of Missouri

Dr. Qiwei He
Research Scientist
Education Testing Service

Dr. Matthew Wilkens
Associate Professor
Cornell University

Dr. David Hunter
Professor
Pennsylvania State University

Dr. Jerry Wu
Professor
National Yang Ming Chiao Tung University

Pre-conference Workshop

A pre-conference workshop (through Zoom, 8:30AM-12:00PM, June 4, 2021, US Eastern Time) on statistical power analysis will be offered. Participants will learn statistical power analysis for t-test, one-way, and two-way ANOVA, regression, mediation analysis, growth curve models, and structural equation modeling.

Organizers: Dr. Zhiyong Zhang and Dr. Ke-Hai Yuan, Professors, University of Notre Dame

Sponsors: [Institute for Scholarship in the Liberal Arts](#) and [Notre Dame International](#) at University of Notre Dame | [International Society for Data Science and Analytics](#) | [Nanjing University of Posts and Telecommunications](#)
